Welcome to 2015 CoreNet Global Summit

Dear Summit Supporter,

Thank you for your participation at the upcoming 2015 CoreNet Global Summit in Los Angeles! We received your order and sincerely appreciate your support. The CoreNet Global team looks forward to working closely with you, and is here to help with anything you might need. There are a few things that we want to remind you of:

- Please sign and return the confirmation that was emailed to you by Kyle Stewart, [REDACTED] at your earliest convenience. After the confirmation is returned, our accounting team will send you an invoice.
- Please pay your deposit as soon as possible. Without payment your sponsorship and/or exhibit space will not be confirmed, you will not be able to make hotel reservations at the Summit host hotels, and you will not be eligible to receive certain key logistical information pertaining to the Summit.
- Please take advantage of the information listed in your Sponsor and Exhibitor Resource Center. The Sponsor and Exhibitor Resource Center is a great tool to help you manage your participation at the Summit. This is where you will:
 - Submit a high-resolution vector-formatted logo (.ai or .eps) along with a .jpeg logo. These will be used for the mobile application and any printed materials.
 - Submit a 50-word company description, to be used for the mobile application.
 - Access information for ordering furniture, carpeting, fixtures, utilities and internet access if you are exhibiting. (Available June 2015)
- Six weeks prior to the Summit you will receive your first mailing list of Summit attendees. These lists are for promoting your participation at the Summit only. You will receive updated lists every week thereafter until the Summit. You will also receive one attendee list shortly after the Summit which includes all on-site registrants.
- In the coming months you will be receiving more information from us regarding your participation at the North American Summit. Please continue to check your Sponsor and Exhibitor Resource Center for deadlines and updates.

Once again, thank you for your support of CoreNet Global, and please let us know if there is anything we can help with. We look forward to working with you!
